

Mount Victoria Historical Society Inc – Information in relation to the Officer recommended version of the Final Spatial Plan that was put to the Pūroro Āmua Planning and Environment Committee in 2021:

Appendix #:	Document Name:	Notes:
1	Wellington City Council: Pre-1930 Contiguous Area Assessment	This document assesses eight areas that were identified as part of the Character Area Review as contiguous with the existing pre-1930 character areas and warranting assessment of their character values.
2	Mt Victoria North Townscape Precinct – Draft District Plan Provisions/Urban Design Review	This report analyses the townscape importance of the Precinct, evaluates the boundaries of the Precinct and comments on the associated PDP provisions.
3	CA – Revisiting the Boundaries-Subareas- Agenda_FurtherReviewWorkshop (18 March 2021)	18 th March 2021 Agenda for internal Council meeting for all Character Precinct Areas. The purpose of the meeting was to discuss how Council will find criteria for revisiting character area extents and test this methodology.
4	CA – Revisiting the Boundaries-Subareas- Agenda_FurtherReviewWorkshop1 (24 February 2021)	24 th February 2021 Agenda for internal Council meeting for Mt Cook, Newtown and Berhampore Character Precinct Areas. The purpose of the meeting was to revisit the methodology that was used to develop the character areas for the Draft Spatial Plan and re-test it, compare the Indicative Contributory Subareas identified in the 2019 Character Area Review with the proposed character subareas in the Draft Spatial Plan and make decisions and calls on where to amend and/or expand the proposed sub-areas.
5	CA – Revisiting the Boundaries-Subareas- Agenda_FurtherReviewWorkshop2	2 March 2021 Agenda for internal Council meeting for Mt Cook, Newtown and Thorndon Character Precinct areas. The purpose of the meeting was to revisit the methodology that was used to develop the character areas for the Draft Spatial Plan and re-test it, compare the Indicative Contributory Subareas identified in the 2019 Character Area Review with the proposed character subareas in the Draft Spatial Plan and make decisions and calls on where to amend and/or expand the proposed sub-areas.
6	RE Character Precinct updates.msg (Email correspondence – 25 May 2021)	Email correspondence between Council’s planners and Council’s G.I.S team regarding decisions made on character precinct mapping extents that the G.I.S team need to update Spatial Plan mapping layers. This includes character precinct sites to add and remove.
7	Methodology-Criteria-Identifying-CharacterPrecincts_20210621 (21 June 2021)	Document which explains the criteria and methodology for how the proposed character areas were identified.
8	Methodology_Identifying_CA-Comparison Table_20210406 (6 April 2021)	Document which compares the original methodology and criteria with the updated methodology and criteria.
9	Methodology_Criteria_Identifying_CharacterPrecincts_v2_20210621 (ppt)	PowerPoint which notes the process which was undertaken; review of criteria, preliminary mapping, site visits and final mapping

10	29.6.21 CA Spreadsheet – Site Visit Notes Tabulated	Excel Spreadsheet which has the notes from the site visits and associated pie graphs
11	V3 REVISTING CHARACTER AREA BOUNDARIES	This document intends to collate the information of the decisions made for character areas, between the draft Spatial Plan and the final draft of the Spatial Plan. This uses notes from workshops and site visits to demonstrate how criteria for each area was or was not met.
12	Reconfirming our approach to character areas_ppt (16 February 2021)	Powerpoint created to explain the rationale for requiring further site visits and options that Council could undertake regarding character area extent, in order to confirm Council's approach.
13	20210623_Review of the Character Areas	Report which notes changes between draft spatial plan and final spatial plan, as well as the reason for this change.
14	Summary_CharacterAreaSiteVisitFindings_V2	Document which summarises the notes from the site visits undertaken in May 2021. Site visits included assessments taken from street boundary for every street.
15	Scan of Site Visit Crit	Provision of categorises to assess character areas whilst on site visits. Notes which contributed to the 'coding' of the site visits.
16	Site Visit Notes	Field notes on from the site visits as part of Character Area review – May 2021. Site visits undertaken on 6 May 2021 (Berhampore site visit), 7 May 2021 (Newtown and Mount Cook), 10 May 2021 (Mount Victoria, Holloway Road and Aro Valley) and 13 May 2021 (Thorndon and Aro Valley).
17	Combined Notes – Character Area Revision – Workshops 1 to 6 (24 February 2021, 2 March 2021, 3 March 2021, 12 March 2021, 18 March 2021)	Notes from workshops regarding all character areas, which determined the criteria for the methodology undertaken to review character area boundary changes. The workshop attended by Council urban designers and planners. Names have been changed.
18	20210401_CA-ProposedChanges_Maps_PPT (1 April 2021)	Internal Council draft powerpoint regarding the changes in character precinct extent from the Operative District Plan, Draft Spatial Plan and Officer Recommended Spatial Plan including key change detail, total hectare areas per iteration, estimated percentage changes and maps showing extent. This also includes a summary of changes. All suburbs containing character areas are captured.
19	CA-Options Evaluation_Draft_Feb2021	Draft memo containing notes on the different Pre-1930s Character Area options, associated evaluation, assessment criteria, ranking and concluding statements for internal Council review.
