Ms K Raue

Re: Your Official Information Act Request

I wish to confirm that Mr Lockwood Smith has never been on the Board of Trustees of Kuranui College.

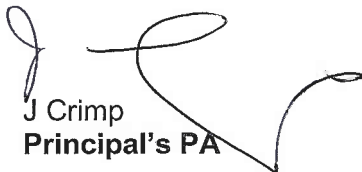

Ms Georgina Beyer was officially co-opted on to the Board at the meeting held on 9 December 1993 – minutes attached.

The Board met again on 17 February 1994 – minutes attached.

There is no record of any further meetings of that Board.

Unfortunately I can find no records or correspondence pertaining to the dissolution of the Board and appointment of a Commissioner, other than a reference to it in a report by the Commissioner made in the school magazine of 1994 (Attached). In that magazine he stated that he was appointed as commissioner on 24 March 1994.

Yours faithfully
