The application form includes seven questions. I copy them all below but welcome your thoughts on **question 2** especially.

2. Observer Countries are asked to put together a delegation that participates in the IHRA Plenary meetings. The delegations must be headed by a senior governmental representative, e.g. with the rank of ambassador. The Head of Delegation may appoint a deputy. Thanks for getting in touch - it's great to hear from you. I hope you had a nice Easter break.

I have collected some responses from our team to the questions raised below (see below in italics), which I hope will be of some help. In some cases our answers exceed the word limit, but I thought the information might be of use to you as you prepare your responses.

We are very happy to follow up with a call if that would help - alternatively feel free to keep emailing any questions/send me anything you'd like us to take a look at.

Kind regards,

I hope this email finds you well. I work in the United Nations, Human Rights and Commonwealth Division at MFAT and my colleagues s9(2)(g)(ii) and s9(2)(g)(ii) have suggested that I reach out to you.

This is in regards to our application to the **International Holocaust Remembrance Alliance** (IHRA) – which as you know is yet to be announced.

Firstly, thank you very much for offering your assistance. We look forward to working closely with you on this matter.

The first IHRA plenary for this year takes place 20 – 23 June, where our application will be discussed and (hopefully) accepted. Our application is due **April 28** and I have been working on bits and pieces on it (including an official letter from our Minister).

The other part of our application is a questionnaire about the status of Holocaust education and remembrance in New Zealand. I copy below the seven questions and note my initial thoughts/proposed approach in red. I'm happy to organise a call next week to discuss if you'd prefer, otherwise a written response is also welcomed.

Please provide a list of the members of your delegation, including their names, ranks, contact information, as well as their home institutions (organizations, universities, museums, etc.). *We are working internally to determine New Zealand's delegation but would appreciate your views on possible candidates and perhaps their interest/availability? (Just to note that these positions & any associated travel are not funded, however I understand that the IHRA Secretariat may be pushing for hybrid sessions and meetings going forward.)*

We have some ideas of possible candidates and I'll aim to send these through to you late tomorrow.

These are just some very initial thoughts and as I mentioned, i'll have a good go as drafting some language next week but getting ahead and looping you in now.

Thanks again for your willingness to assist.

Providing you with an update on this application. We're almost done with the questionnaire (compiling and trimming down all the feedback from Jewish Council, MoE, and NZHC) and the letter is sitting with MFAs office at the moment for signing (a back-up one is also with Chris Seed in case the Minister doesn't get to it tomorrow).

As you know, one of the requirements is that we designate a delegation of at least four to attend future IHRA plenaries and working group meetings. This is set out in the Working Rules of the IHRA:

- "Observer Countries are asked to put together a delegation that participates in the IHRA Plenary meetings. The delegations must be headed by a senior governmental representative, e.g. with the rank of ambassador. The Head of Delegation may appoint a deputy. In addition, IHRA maintains three standing Working Groups as well as three standing Committees. An Observer Country may appoint up to six expert delegates and should appoint at least three delegates. These expert delegates can attend the meetings of those groups in an observing capacity. Please provide a list of the members of your delegation, including their names, ranks, contact information, as well their home institutions (organizations, universities, museums, etc.)."

Our HOM and DHOM in Stockholm will lead the Delegation, but in terms of the expert delegates (at least three), these need to be examined more closely.

We have identified some simple criteria to guide our selection.

- o Delegates must have a demonstrated history of expertise and action of relevance to the work of the International Holocaust Remembrance

Alliance;

- o Delegates must coordinate closely with the Ministry of Foreign Affairs & Trade in the discharge of their duties; the Ministry reserves the right to revoke any position as a New Zealand delegate at any time;
- o Delegates must attain separate funding for their travel and associated expenses should they wish to attend any IHRA meetings in-person.

The New Zealand Jewish Council have already identified suitable candidates for these roles (note that we have made it clear to the NZ Jewish Council that these positions and any associated travel costs are not funded.) If we're all comfortable with these names then we'll need to progress it on to DM UNHC & DM MEA for sign off.

Because of the political nature of these positions, we think it also necessary to run any names by the **Minister** for her approval before formally submitting it to the IHRA. Therefore, we'll be advising the IHRA Secretariat that details of our expert delegates are forthcoming (i.e. **after** the 28 April deadline) [unsure whether this will be acceptable to them yet...]

The proposed delegates from the Jewish Council are:

- **Deborah Hart**
- **Professor Paul Moon**
- **Dame Lesley Max**
- **David Zwartz ONZM**
- **Shoshana Maasland**

As ^{s9(2)(g)(ii)} notes below, all have indicated their interest, and availability to participate, in IHRA plenary meetings in an observer capacity. See short background bio's for Shoshana and David below, and the rest attached.

Grateful for your thoughts.

As discussed, our application for the International Holocaust Remembrance Alliance (IHRA) is due to the Secretariat in Berlin next Thursday 28 April. There are four pieces of work underway ahead of this application:

Out of scope

4. **Delegation:** a final requirement is that we designate a delegation of at least four to attend future IHRA plenaries and working group meetings. This is set out in the Working Rules of the IHRA:
 - “Observer Countries are asked to put together a delegation that participates in the IHRA Plenary meetings. The delegations must be headed by a senior governmental representative, e.g. with the rank of ambassador. The Head of Delegation may appoint a deputy. In addition, IHRA maintains three standing Working Groups as well as three standing Committees. An Observer Country may appoint up to six expert delegates and should appoint at least three delegates. These expert delegates can attend the meetings of those groups in an observing capacity. Please provide a list of the members of your delegation, including their names, ranks, contact information, as well their home institutions (organizations, universities, museums, etc.)”
 - We would designate our HOM and DHOM in SKM to lead the Delegation.
 - In addition, we must designate at least three expert delegates, and have attempted to identify some simple criteria to guide our selection. **I now seek your consideration/approval of these criteria**. Once you’ve approved, I will work with MEA, the Holocaust Centre of New Zealand and the New Zealand Jewish Council to identify suitable candidates for these roles. We will then revert to DM UNHC & DM MEA for final sign off on New Zealand’s delegates before submitting this names to

the IHRA secretariat. In formal discussions so far we have made it clear to the NZ Jewish Council that these positions and any associated travel costs are not funded.

We propose the following criteria:

- Delegates must have a demonstrated history of expertise and action of relevance to the work of the International Holocaust Remembrance Alliance;
- Delegates must coordinate closely with the Ministry of Foreign Affairs & Trade in the discharge of their duties; the Ministry reserves the right to revoke any position as a New Zealand delegate at any time;
- Delegates must attain separate funding for their travel and associated expenses should they wish to attend any IHRA meetings in-person.

Happy to answer any further questions you may have.

Pito matua – Key points

- In August 2021, you agreed that Aotearoa New Zealand would apply to become an Observer of the International Holocaust Remembrance Alliance (IHRA). The Ministry submitted our application to the IHRA Secretariat on 28 April 2022, which will be considered at the next plenary session in Stockholm 20 - 23 June. The application included a letter signed by you, and a survey on the state of Holocaust education, remembrance, and research in New Zealand.
- As part of our application, New Zealand must appoint a delegation to the IHRA, headed by a senior governmental representative (e.g with the rank of Ambassador). As the current Presidency of the IHRA sits with Sweden, and this year's plenary sessions will both take place there (in June and November), New Zealand's Ambassador to Sweden Mr. Andrew Jenks has been designated New Zealand's Head of Delegation, with the Deputy Head of Mission, ^{s9(2)(g)(ii)}, as Deputy Head of Delegation.
- In addition, IHRA rules require New Zealand to appoint at least three, and up to six expert delegates. These delegates should include "experts, such as local stakeholders and policy makers", who will be permitted to attend the meetings of IHRA working groups and standing committee groups in an observing capacity.
- We have worked closely with the New Zealand Jewish Council to identify appropriate candidates to act as expert delegates, and identified five for your consideration and approval (biographies provided in Annex 1):
 - Deborah Hart
 - Professor Paul Moon
 - Dame Lesley Max
 - David Zwartz ONZM
 - Shoshana Maasland
- All five candidates have indicated their interest and availability to serve as expert observers. Their terms of appointment would be for an initial period of one year, with renewal for subsequent one-year terms possible by mutual agreement. Each candidate you approve will be asked to sign a form agreeing to the Ministry's standard conditions applying to participants on New Zealand delegations to international organisations. Expert delegates will be expected to meet their own travel and other costs associated with the appointment.

E te mātanga, tēnā koe. שלום. Shalom.

I am pleased to confirm that the Minister of Foreign Affairs has agreed to your appointment as a New Zealand expert delegate to the International Holocaust Remembrance Alliance (IHRA).

Your skills and experience would make a valuable contribution to the work of the International Holocaust Remembrance Alliance.

Your appointment will be for an initial period of one year, with renewal for subsequent one-year terms possible by mutual agreement.

Your appointment is conditional on your agreement to the terms of this letter. To confirm, please sign and return the attached form by 1 June 2022.

As you know, New Zealand submitted its application to become an observer of the IHRA in April of this year, and our application is expected to be considered at the Alliance's upcoming plenary planned for June 2022 in Stockholm.

For the June plenary, New Zealand's Delegation to the IHRA will be led by our Ambassador to Sweden, Mr. Andrew Jenks, and supported by our Deputy Head of Mission in Stockholm, ^{s9(2)(g)(ii)} Should New Zealand's application be accepted in June, we understand expert delegates will be invited to participate in subsequent meetings.

Expert delegates will be expected to participate actively in the workings of the Alliance, including through its plenary and working group meetings, and through coordination with the New Zealand Ministry of Foreign Affairs & Trade. New Zealand intends to advocate for the provision of 'hybrid' facilities for all IHRA meetings to enable remote participation. However, we understand the IHRA Presidency determines the format of meetings. As discussed, the Ministry is unable to fund any travel or others costs associated with your appointment as expert delegate.

The IHRA's working rules and annexes are attached, and more information may be found at <https://www.holocaustremembrance.com>.

We look forward to working closely with you in the coming year and contributing towards the significant work of the International Holocaust Remembrance Alliance including the promotion of education, remembrance and research about the Holocaust

The Holocaust is one of the greatest tragedies of modern history, which fundamentally challenged the foundations of global civilisation. It should never be forgotten in order to ensure that future generations will not bear witness to such horrors again.
