Caveats for both tables one and two:

- The statuses of the applications were collated at the date of 20 September 2022.
- Applications submitted through the digital channel cannot be broken down by their location received.
- The Paper Channel data is based on the date the application was received in the Auckland region (Auckland and Manukau office).
- Applications within our system can be picked up by any LISO in any office.
- As the data is extracted from a dynamic system, there may be small variances when compared with prior or future datasets.
