Dear Matthew

Thank you for your request under the Official Information Act. Our response is below:

How many placement positions, if any, have been available to students studying Bachelor of Nursing - Māori, Bachelor of Nursing – Pacific, and Bachelor of Nursing at your tertiary education institution annually over the past five years?

Placement positions are sourced based on student numbers and in negotiation with placement providers (e.g., private practices and hospital sites). This has been the case over the past five years.

How many students, if any, have attained a Bachelor of Nursing - Māori, Bachelor of Nursing – Pacific, and Bachelor of Nursing degree at your tertiary education institution annually over the past five years?

AUT's AK3324 Bachelor of Health Science (Nursing) graduates each year between 2017 and 2021 by ethnicity:

	2017	2018	2019	2020	2021
Māori graduates	14	23	13	16	12
Pacific graduates	11	16	26	29	37
Other (includes domestic and international graduates)	165	117	121	157	201
Total	190	156	160	202	250

What is the number of students, if any, who have undertaken a placement as part of a Bachelor of Nursing - Māori, Bachelor of Nursing – Pacific, or Bachelor of Nursing degree that your tertiary education institution, annually, over the past five years?

All students enrolled in each year will undertake a placement, with an occasional exception where a student is only undertaking a limited number of papers with no clinical hours attached to it.
