Dear P D Lamb

Police acknowledges your information request for the following:

- a) How many non-injury accidents occurred at Compulsory Stop signs,*
- b) How any injury accidents occurred at Compulsory Stop signs ( a break down of serious injury and minor injury would be nice but not essential),*
- c) How many fatal accidents have occurred at Compulsory Stop signs and,*
- d) How many infringement notices were issued for Failing to Stop at a Stop Signs during that period.*

The information sought in questions a, b and c is more closely associated with the activities of the NZ Transport Agency.

I have therefore transferred this part of your request to NZTA pursuant to section 14 of the Official Information Act 1982.

Police will respond to question d.

Yours sincerely
