Dear JP

I refer to your information request dated 31 January 2023 made under the Official Information Act 1982 (the Act). You have requested the mark and grade distribution of the Semester 2 2022 FINC102 paper, as well as the mark and grade distribution of the FINC102 final exam in Semester 2 2022.

Please see below our responses to each of your requests.

1. Final mark and grade distribution for the Semester 2 FINC102 paper

Subject to the following comment, please see attached the final mark and grade distribution for the Semester 2 FINC102 paper:

- in the attached mark and grade distribution, we note that students who withdrew from the paper are excluded from the data.

2. Mark and grade distribution of the Semester 2 FINC102 final exam

We have decided to grant your request. However, it is taking a bit of time to investigate and collate this information for you due to staff workloads and the fact that student marks in the separate FINC102 final exam are not stored in the same location as overall student marks in our central records system. We will be back in touch with regards to this information once the data has been confirmed and is available. Please note that some information may be withheld for privacy reasons.

I trust that this information will be helpful. We will be in touch with regards to the remaining information you have requested as soon as possible.

If you are not satisfied with our response to your information request, section 28(3) of the Act provides you with the right to ask an Ombudsman to investigate and review this response. However, we would welcome the opportunity to discuss any concerns with you first.

Yours sincerely
