17 February 2023

John Luke
fyi-request-21740-822830d3@requests.fyi.org.nz

Dear John

Official Information Act 1982 request – ENZ salary information

I refer to your official information act request (OIA), received by Education New Zealand (ENZ) on 7 February 2023:

I am requesting under the official information act information about all the positions in the ENZ where the position holder is paid more than \$150,000 per annum. My request covers both permanent employees and any contractors or consultants.

Please provide a list of all the positions that meet the criteria (\$150,000 or more), listed by business group in the ENZ, and for each please provide the full position title, and the associated remuneration and an indication of whether the position is filled by a permanent employee or a contractor/consultant or other. I am comfortable if you wish to provide the remuneration information in salary bands or ranges or similar, provided they are not too large. I note that SSC uses ranges of \$10,000 when identifying chief executive remuneration which would be an acceptable range for my request.

For context can you please also provide me with the total number of staff in each business group.

If it would make complying with this request easier, I am happy to accept slightly older information, E.g. it does not need to be accurate as at the date of this request, provided it is dated within the last 12 months, and you identify the applicable date.

The information you have requested (as at 31 January 2023) is provided in the tables below. The information includes position holders who are based offshore. For locally engaged staff based offshore, the annualised remuneration is shown in the New Zealand dollar equivalent.

ENZ has decided to refuse your request for narrower remuneration rates under section 9(2)(a) of the Official Information Act 1982 to protect the privacy of natural persons. The actual remuneration placement within the salary band can be negotiated by staff on an individual basis. We have therefore released this information showing the remuneration associated with each salary band.
