Subject: NZAIP Event Request - November 2022

Hi Craig,

I hope you and the team are well! What a whirlwind the last few months have been!

I wanted to touch base as the New Zealand Association of Immigration Professionals ('**NZAIIP**') is hoping to invite the Minister to attend our annual association lunch in November and I wasn't sure how early it is advisable to put in the request? You may recall last year due to the impacts of Covid, we ended up doing a webinar with the Minister in September, but it would be great if we can navigate alert levels this time around to have the Minister back in person.

As a reminder, NZAIP was formed in 2012. We are an incorporated society that started in Wellington, established by passionate immigration professionals who pride themselves in creating a collaborative forum for all parties interested in immigration-related matters. Here is the link to our website: <https://nzaip.org.nz/>. We have grown significantly over the last 12 months due to our commitment to a constructive and collaborative environment and now have members from throughout New Zealand.

The Minister of Immigration usually attends one of our events each year and speaks to our members about the government's immigration plans and strategies. As such, we would love to have Hon Kris Fafoi attend our November 2022 event to hear his reflections on the past year, the transformation to the Accredited Employer Work Visa framework, and the government's intentions moving forward as the world reopens and businesses look offshore once more for critical talent.

We do not have a set date at this time so if you are able to guide me on the Minister's availability we can plan accordingly.

Please don't hesitate to get in touch if you have any questions or require any further information.

Kind regards,

By now I'm sure you have heard the news about the change of Minister for the Immigration portfolio.

Next week I will be transferring to the new office and will be in touch about how to submit invitations to the new Minister. Any invitations and meeting requests will need to be made anew to the new office.
