#	Gender	Before We Start:		Round 1:		Round 2:		Final Round:	
		Used Pūaha before?	Any feedback?	Accommodation?	Scholarship?	Status of Applications?	Where for Admission now?	What can you see?	Any other comments?
1	Not Recorded	No		Found immediately on main landing page.	Found immediately on main landing page.	"Maybe under 'profile'?"	"Maybe 'Course Advice' or 'My Degree'?"	"Everything you need in one place"	"Finding courses and signing up for tutorials"
2	Not Recorded	No	--	Found immediately on main landing page.	Found immediately on main landing page.	"Maybe under 'profile'?"	My Applications > 'Apply now' button	"Maybe make the buttons more clear and visual" (Illustrate the buttons)	"Good to see Myallocator there!"
3	Not Recorded	Yes		Found immediately on main landing page.	Found immediately on main landing page.	My Applications	Home > Admissions	"Easy to access" & "see everything on the bar"	"Ok"
4	Not Recorded	Unsure ("don't think so")	--	Found immediately on main landing page.	Found immediately on main landing page.	Home > Accomodation?	Home > Admissions	"I'd like to be able to find courses that are available, and find their codes." (Course finder / CNRI)	--
5	Female	Yes	"Pretty easy" & "some dead end links"	Found immediately on main landing page.	Found immediately on main landing page.	"Maybe under 'profile'?"	Home > Admissions	"Simple, but has what you need"	"Concise, which is good"
6	Not Recorded	No	--	Found immediately on main landing page.	Found immediately on main landing page.	My Applications	My Applications > 'Apply now' button	"Straightforward, everything is there"	--
7	Male	Yes	--	Found immediately on main landing page.	Found immediately on main landing page.	Home > Accomodation?	Home > Admissions	"It's all very samey, repetitive. No distinction between buttons"	"Good to have applications all together" & "make buttons clearer / bigger"
8	Female	Yes ("a little")	"An improvement on the past!"	Pointed it out themselves ahead of our question: "it's great that the acommodation / scholarship things are front and centre"	Found immediately on main landing page.	Home > Accomodation? (Spent time looking at the 'My Tools' bar, but didn't see the "My applications" above it.)	Home > Admissions	"Good to find all the accommodation / scholarships, etc."	"Not really - good to have all this together" & "help in finding the right person for course advice"
9	Female	Yes ("once")	--	Found immediately on main landing page.	Found immediately on main landing page.	"Maybe under 'profile'?"	Home > Course advice > Back to Home > Admissions	"Looks good" & "nice to have a central place"	"I really like it!" & "Can we make course selection easier?"
10	Male	Yes ("couple of times")	--	Found immediately on main landing page.	Found immediately on main landing page.	"Maybe by clicking the buttons for 'Accomodation' and 'Scholarships' on the main page?"	Home > Admissions	"Smooth & Straightforward"	"Nothing to complain about." & "Can we access changing courses through this?"
11	Female	No ("but I've heard of it")	--	Found immediately on main landing page.	Found immediately on main landing page.	"Maybe in 'student email'?"	Home > Admissions	"Straightforward"	"Visibility of main home screen buttons - make them not white" & "struggled in the past to find MyAllocator"
12	Male	Yes	--	Found immediately on main landing page.	Found immediately on main landing page.	Found it themselves.	Found it themselves.	"Good to be able to see everything" "It was hard to find Myallocator on the website"	"Admission & Enrolment as separate things is confusing" & "I like that Maps has its own icon - it's hard to find buildings when you're new"
