Tēnā koe Hayden

**Information Request – Training Material**

I refer to your official information request dated 6 March 2023 asking for the following information.

*"I am looking to request any manuals, training guides, simulators and anything else that could exist in relation to training personnel on how to use the LMR (K Codes, Radio etc) in a truck."*

Land mobile radio communication (LMR) training is covered with all new recruits at the National Training Centre and is supplemented by Brigade delivered training. Please see the *enclosed* excerpt from Incident Ground Skills module 5, related to the use of Land Mobile Radios (LMR) and K codes. Also *enclosed*, is a copy of the LMR standard operating procedure.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or freephone 0800 802 602.

Nāku noa nā

Julia McCook-Weir  
Manager, Information Requests
