## Request for Information pursuant to the Local Government Official Information and Meetings Act 1987 (LGOIMA)

Thank you for your correspondence of 9 March 2023, in which you have requested the following official information about the Eastern Bays Shared Path:

 The names of the consultants engaged to provide procurement and other advisory services in relation to this project. Please specify which consultants provided procurement service and what services the other consultants provided.
The dates when procurement information was provided to the Council by consultants.

3. All reports containing benefit cost ratio calculations for the project.

You have asked for information about procurement. The process involved a memo being prepared by Council officers, for the Chief Executive's consideration. With her agreement, a paper was prepared for the November 2021 Council meeting, seeking Council's approval to appoint the Te Ara Tupua Alliance (the Alliance). This paper can be found in the meeting papers for the November 2021 Council meeting, available on Hutt City Council's website.

The links below relate to documents that contain information about benefit cost ratio for the project:

Document 1 Document 2 Document 3

We also attach two additional documents that are within scope of your request.

You have the right to seek an investigation and review by the Ombudsman of this response. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Please note that this letter may be published on the Council's website.
