**Our Response**

On 7 June 2023 we advised you that due to the substantial collation of information required to respond to your requests, we needed to extend the due date to 20 June 2023. We are now in a position to be able to provide a response to the two requests detailed above.

Please refer to the attached appendices for the information that you have requested. You have indicated in your requests for data to be broken down by industry. Immigration New Zealand data is not categorised

by industry, instead it is categorised by two sector levels. As our two levels of sector categorisation may not correspond with your definition of industry, we have provided you with complete occupation data on the understanding that you will be able to extract the data you require.

The data is provided as at 31 May 2023 and encompasses all data since the categories in question came into existence.

Information included in the appendices are as following:

Appendix one – Recovery Visa application data

- Contains tables one, two, three and four.

Appendix two – Accredited Employer Work Visa (AEWV) visa application data

- Contains tables five, six, seven, eight and nine.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or freephone 0800 802 602.

If you wish to discuss any aspect of your request or this response, or if you require any further assistance, please contact [inzoias@mbie.govt.nz](mailto:inzoias@mbie.govt.nz)
