Dear Jane

Official Information Act request 23.47 AI in Assessment

I refer to the Official Information Act (the Act) request dated 25 May 2023 for information relating to Artificial Intelligence (AI) in assessment. You have requested the following:

- Could you please provide all policies regarding the use of AI in assessment.

This is a dynamic field and the University guide academic staff on how best to approach the use of AI tools in their courses.

The University of Canterbury has a diverse range of study options in more than 150 different subject areas, and our Course Coordinators will ensure students are appropriately updated on specific course requirements.

Our website reflects this approach with a statement on the use of AI – generated text [here](#). Therefore, this request is refused under s18(e) of the Act, as the documentation does not yet exist, as it is under development.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Yours sincerely

A handwritten signature in blue ink that reads 'Claire O'Connell'.

Claire O'Connell
