None of the suggested photos are perfect, but we want a steer on:

- Whether you would like to use photos for the Report, and
- Whether any of these photos would be suitable.

Questions to consider

- Do you want a cover photo for the Report?
- Do you want any photos in the body of the Report?
- Can you narrow down the photo/s that you like most?
- Which photo/s don't you like?

Photo options for the Working Group Report

At Meeting 10 (22 November) you suggested the Report cover could have multiple photos. You also requested visible diversity.

Our Design team suggests the design on the next page, and requests you choose 3 photos.

We seek your input on:

- Which 3 of these photos would be suitable.
