Dear Mr Harris

RE: Official Information Act Request

We refer to your email received on 17 May 2012, making a request for information under section 12 of the Official Information Act 1982.

You have requested as follows "*all expense information (including but not limited to credit card statements, invoices, reimbursement forms and receipts) for business expenses incurred by your CEO for the period 1 January 2012 to 31 March 2012.*"

We have **attached** records of business expenses incurred by and reimbursed to Albert Brantley for each of the three months. We have also attached the receipts where we have these for the spending to which they relate. The Chief Executive of Genesis Energy does not have a business credit card so we have not attached any credit card statements.

We note the redactions on the receipts are to protect the individual's privacy in terms of his personal information and the identity of people accompanying Albert Brantley, and to withhold information that is likely to unreasonably prejudice Genesis Energy's commercial position due to disclosing people and organisations with whom the Company has been engaging. In each case we have indicated the sections of the Official Information Act 1982 on which we rely alongside the redactions.

We trust this satisfies your request. If you find this response unsatisfactory you may refer this matter to the Ombudsman for consideration under section 28(3) of the Official Information Act 1982.

Yours sincerely

A handwritten signature in blue ink, appearing to read "Maureen Shaddick".
