Subject: Change of COVID Incident Controller at UoA
Date: Thursday, 7 July 2022 11:32:19 am

Kia ora koutou Wellington folks,

A quick note to let you know that 9(2)(a), our Associate Director for Health, Safety & Wellbeing, will be taking over as COVID Incident Controller at the University of Auckland. It's been interesting and educational working with you on this over the last year, all the best for the future!

Regards,

9(2)(a)
