Your request for Official information, reference: HNZ00030750

Thank you for your email on 2 October 2023, asking for the following under the Official Information Act 1982 (the Act):

- 1 All Hauora a toi MHA policies*
- 2 Hauora a Toi MHA Clinical Practice Manual*

On 31 October 2023, we informed you that we needed more time as consultations were necessary to make a decision on your request.

We have worked with all the relevant hospital areas to try to find the information that would be in scope of your request. At this point, we estimate that over 40 hours of work has been carried out on this request. Despite this, we still haven't identified any documents that are within scope of your request. To do so would take considerably more resources to answer your request as it currently stands.

Given the amount of work that would still have to be carried out to provide you with this information, we have decided to refuse your request under section 18(f) of the Act as the information requested cannot be made available without substantial collation or research. This is in addition to the substantial research we have already undertaken.
