

Presentation on 9/4/21 by Alistair Bell

Ecological value of pine forests?

architect +
landscape architect.

visibility from dot - only visible if 8m+

number of different "character areas"

- help each character area to be unique

10 messages in AWRC abt potential bus route

approx 100 hours on spur

and 2019 Kilm St

" 2020 Duneraig

approx 1,000 - 1,800 on ATC land.

No spur - - rshp in train stat - not available east spur
- prevents

8.5 ha from 35 dulpd say 10 ha :- 25 preserved.
Bentley: why not preserve 10 ha. - ATC impossible to approach

- approx 21% - 25% total spur + ATC dulpd.

- Ulla: wild buy wood only?

- Taylor: how many hours on silviculture ^{side of} ridge - don't know.

- Ulla: what systems eg. water + sewage at rural areas?

- Swales: timeline to implement dulpd.

Matt: 1800 hours in 50 yrs.

Bentley: sell as lots / land buildg

Matt: not sure

Bentley: how address Kilm St traffic issue?

Matt: not done engineering study etc.

Swales: road → Auro how many km?

A: ~ 5 km
