Subject: Te Pae Tawhiti DCE Agenda Pack - 21 Pipiri

Kia ora koutou,

Please see attached the meeting pack ahead of the DCE hui on 21 Pipiri, 13:00.

I have also attached the Draft Wai 262 Section 81 Update, that needs everyone's endorsement to move forward. Again, I appreciate the few that have in fact given their tweaks and endorsement, but the timelines have been pushed out as there hasn't yet been full endorsement from this rōpū.

As an action, can you please endorse (or otherwise) before we met at 13:00 on 21 Pipiri? Happy to answer any pātai before that.

Ngā mihi nui,
Helen
