Dear Ben

Request made under the Official Information Act 1982

Thank you for your email of 28 November 2023 requesting the following information under the Official Information Act 1982 (the Act):

I would like to request the most recent papers produced by NZTA on proposals for a Petone-Grenada motorway, including the route, cost estimates, time frame estimates etc. If there is a document that sets out the history of the project/proposal, that would really useful too.

(I don't know how NZTA structures its decision making, so i can't be specific as to what kind of papers, but I'm expecting management or project reports, or reports to government, and not interested in correspondence etc)

All of the project reports, updates and background for the Petone to Grenada Link Road project can be found on our website at:

www.nzta.govt.nz/projects/petone-to-grenada-link-road

Please note that the project was re-evaluated in 2019 and the decision was that the project would not proceed at that time but would be considered for funding in the future. You can subscribe for updates at the link above.

If you would like to discuss this reply with NZ Transport Agency Waka Kotahi, please contact us by email to official.correspondence@nzta.govt.nz.

Yours sincerely
