Appendix A to OIA2324-0456

Caveats:

- The statuses of the applications were collated on, and is accurate as of Monday 8 January 2024.
- Counts of less than 5 have been masked with <5 to prevent identification of individuals. Line and column totals have not been included as they could be used to determine masked values.
- Country of birth is not confirmed until an application has been assessed by a Life and Identity Service Officer, therefore unassigned applications may not have the correct country. This is often the case with people entering New Zealand as the country of birth mistakenly.
- As the data is extracted from dynamic systems, there may be small variances when compared with prior or future datasets.
