Dear Chris,

Local Government Official Information and Meetings Act 1987
CAS-14062-B5T6X5

Thank you for requesting data from the electronic speed sign on Lake Road near Seabreeze Road in Devonport. Speed signage in Auckland is not connected through the Auckland Transport network. This means that there is no central server to save data remotely. These signs have the facility to store data internally which is requested by the researcher or traffic engineer. In order to get such data we need to send a technician on site to copy onto the drive however this costs approximately \$200.00.

If you would like this data please send us your request including the date, time and the data format.

We trust this information has addressed the matters raised however you have the right in accordance with section 27(3) of the Local Government Official Information and Meetings Act 1987 (LGOIMA) to make a complaint to the Office of the Ombudsman if you are not satisfied with our response.

Yours sincerely

PP.
