## Dear A Collins

## Official Information Act request (OIA 2324-0568)

Thank you for your request for information dated 7 February 2024 made under the Official Information Act 1982 (the Act) to the Department of Internal Affairs (the Department). You requested the following information:

To the Department of Internal Affairs,

1. Under the Official Information Act 1982, I request the job descriptions and salary bands for Ministerial Services staff who work in ministerial offices. This includes but is not limited to Ministerial Advisors, Press Secretaries, Senior Private Secretaries, Ministerial Secretaries, Private Secretaries (administrative ones - not the ones seconded from Government Departments). I understand many of these roles may have different levels or grades - please include all of these relevant roles.
2. If there are any staff that are paid beyond the salary range, can I have an indication of which roles and how many people?
3. Lastly, I would like an indication of when these bands were last changed or evaluated.

## Response to your request

There are three types of staff who work in Ministers' offices:

- Department-employed staff assigned to work in a Minister's office;
- Roving staff, also employed by the Department, although not assigned to a Minister's office. They are deployed across Ministerial offices in a range of roles to provide cover for offices in situations of planned and unplanned leave and surge support; and
- Portfolio Private Secretaries who are seconded to Ministers' offices by government agencies (also known as home agencies) to facilitate the management of Ministers' portfolio responsibilities.

The Department's Ministerial Services Group is responsible for employing all Ministerial office staff. I have interpreted Ministerial staff to refer to Department-employed staff who are assigned to work in a Minister's office and roving staff.

1. Under the Official Information Act 1982, I request the job descriptions and salary bands for Ministerial Services staff who work in ministerial offices. This includes but is not limited to Ministerial Advisors, Press Secretaries, Senior Private Secretaries, Ministerial Secretaries, Private Secretaries (administrative ones - not the ones seconded from Government Departments). I understand many of these roles may have different levels or grades - please include all of these relevant roles.

I have interpreted this part of your request to be for job roles/titles and salary bands for Department employed staff who work in Ministerial offices.

Please see Appendix A below for a table that lists job titles for the current Ministerial staff employed in Ministerial offices, along with their corresponding salary band. The information provided is accurate as of 7 February 2024.
2. If there are any staff that are paid beyond the salary range, can I have an indication of which roles and how many people?

Due to the small number of employees working in specific roles within Ministerial offices, making such information available could lead to the identification of individuals. As the employer of staff working in Ministers' offices, the Department has an obligation to protect the privacy of these individuals and to keep their employment information safe and secure. Therefore, under section 9(2)(a) of the Act withholding this information is necessary to protect the privacy of natural persons, including that of deceased persons.

I have considered whether the above grounds for withholding the information under section 9 of the Act are outweighed by other considerations which would make it desirable, in the public interest, to make that information available. In this instance, I do not consider that to be the case.
3. Lastly, I would like an indication of when these bands were last changed or evaluated.

All salary bands were increased by $\$ 2,000$ or by $3 \%$, up to a maximum of $\$ 5,400$ with the implementation of the Public Sector Pay Adjustment (PSPA) on 1 December 2023.

The following jobs were evaluated or changed in October 2023:

- Manager Research, Communications and Digital (formerly Director of Communications)
- Senior Private Secretary (Outside Cabinet)
- Senior Private Secretary (Inside Cabinet)

Changes or evaluations of job roles, associated job descriptions and associated salary bands may take place at any time. Likewise, the types of roles needed by an Executive may change/differ. In order to best illustrate this, we are providing you with material provided in an earlier OIA request which shows changes in roles and salaries over time that we believe answers your questions and illustrates this wider context. This is attached in Appendix B; please note that the rates for 2023 are exclusive of the PSPA adjustment made on 1 December 2023.

We may publish this OIA response on www.dia.govt.nz (with your personal details having been removed). Publishing responses to OIA requests increases the availability of information to the public and is consistent with the purpose of the Act to enable effective participation in the making and administration of laws and policies, and to promote the accountability of Ministers and officials.

If you have any concerns with the information in this response, you have a right to request an investigation and review by the Ombudsman under section 28(3) of the Act. Information on how to do this is available at www.ombudsman. parliament.nz or freephone 0800802602.

Yours sincerely

This could be due to several reasons such as aligning the salary with comparative roles in the current job market, or review of the job description/role (i.e., tasks and responsibilities associated with a role/roles may have been re-evaluated and changed impacting on salary for the role).

*When a role is advertised the corresponding salary band is advertised with it. These salary bands may change over the course of financial years due to several reasons such as aligning the salary with comparative roles in the current job market, or review of the job description/role i.e., tasks and responsibilities associated with a role are re-evaluated and changed. Therefore, the corresponding salary may increase or decrease.
