

Appendix One: Corrections' spend on iced drink machines in prison

Table notes:

- In accordance with Corrections' standard reporting conventions, figures are provided by financial year.
- The rental spend in 2018/19 relates to rental of iced drink machines prior to the official rollout in 2019.
- The table only reflects consumable items where the purchase can be directly linked to the use of iced drink machines.
- Maintenance includes professional cleaning and sterilisation of the machines to ensure they are compliant with food safety standards and do not cause our staff to become unwell.
- The figures for the 2023/24 financial year are as at 31 March 2024.
