Tēnā koe,

Official Information Act request power usage from the Doppler Radars on a day-to-day basis.

I refer to your request for information under the Official Information Act 1982 (OIA) dated 2 April where you requested:

1. The power usage from the Doppler Radars, on a day-to-day basis.

MetService do not collate power consumption data on a day-to-day basis. This data is only collated monthly. However, this monthly data has been averaged out to a daily figure to best meet your request. This has been attached below.
