Hi Mike

I have attached a couple of documents one is a refinement of the roadmap to co investment with a target of Budget 2023 and the other one is about an opportunity this Friday 12 o'clock to push the case. [REDACTED] has been talking to Step and she is keen to take the opportunity but wanting to check in with you to make sure we are on the right track before we take this step. I should have got this out to you last week but have been a bit distracted so hence the delay in getting to you.

I will send an invite for a quick call at 4 if you're free. Otherwise a quick note to say yes get on with it will be a start

Cheers
