INFORMATION REQUEST

On 11 April 2024 you asked for information about access to Kinloch Way. Here is our response to your questions:

I live on Kinloch Way which is a private way my question is, What rights do/did you have to build a public access cycle/ walkway to allow the public to access Kinloch Way which is private? I questioned this 3 years ago with the council and was told it would be looked into but with no result.

We have reviewed the area and we are unaware of any formal cycle way through Kinloch Way. We recognise this is a private accessway. Some members in the community may be unaware this is a private accessway and may be utilising the areas through Kinloch Way, along the state highway to the reserve or vice versa.

As the land adjacent to Kinloch Way is under the jurisdiction of Waka Kotahi New Zealand Transport Agency, we have referred the matter to them to look into.

If you are not happy with this response you have the right to seek an investigation and review by the Ombudsman. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

This response may be published on our website, all personal information will be removed.

If you have any questions about this letter, please contact me.
