Request for information

Thank you for your Official Information Act 1982 (OIA) request of 29 April 2024.

Please see below a response to each part of your request.

1. Information about NZ Police procurement of goods and services from Israel, including but not limited to the supply of equipment and technology for tactical operations, criminal investigations, or covert operations, from vendors based in Israel, including those whose parent company is Israeli but NZ Police purchases goods or services through a subsidiary, agent, or intermediary supplier based in another country. For this question, I request, specifically:

- The total amount spent, broken down by the Police workgroup managing or owning the procurement, per financial year from 2019/20 to present (including incomplete figures for the current financial year), on goods or services to vendors as described above

Police does not collate the ownership/corporate structure of its vendors including whether their parent company/ies are based in specific countries through a centralised mechanism. Nor do Police centrally collate whether goods or services from a specific country are purchased through a subsidiary, agent, or intermediary supplier based in another country. This part of your request is therefore refused under section 18(g) of the OIA, as the information requested is not held.

Police has however been able to identify some vendors spend as defined in your question. Please note that Police are unable to confirm that all vendor spend has been captured as requested, as it is not centrally available.

Providing the spend broken down by Police workgroup managing or owning the procurement would be likely to reveal tactical capabilities available to one or more of those workgroups and thus undermine Police's ability to prevent, detect and investigate offences. This breakdown is therefore withheld pursuant to section 6(c) of the OIA, as the making available of the information is likely to prejudice the maintenance of the law.

However, Police can provide you with the total spend per financial year from 2018/19 to present (as at 4 June 2024) for the identified companies as below:

2018/19	2019/20	2020/21	2021/22	2022/23	2023/24	Total
\$ 7,832.9	\$ 143,794.6	\$1,369,155.3	\$ 1,767,846.5	\$ 1,826,237.6	\$1,719,951.9	\$ 6,834,818.7

- The total number, by the same workgroups, per financial year from 2019/20 to present (including incomplete figures for the current financial year), of responses to RFI, RFP or other formal procurement processes by vendors as described above.

This part of your request is refused under section on 18(g) of the OIA, as the information is not held.

- Information about NZ Police procurement of goods and services from specific vendors. For this question, I request, specifically:
 - The total amount spent, broken down by the same Police workgroups, per financial year from 2019/20 to present (including incomplete figures for the current financial year), on goods or services to (as a total):
 - L3 Harris or its subsidiaries, or
 - Lockheed Martin or its subsidiaries.

Providing a breakdown of Police workgroups for L3 Harris or its subsidiaries would be likely to reveal tactical capabilities available to one or more of those workgroups and thus undermine Police's ability to prevent, detect and investigate offences. As such, this part of your request is withheld pursuant to section 6(c) of the OIA, as the making available of the information is likely to prejudice the maintenance of the law.

However, Police can provide you with the total spend per financial year from 2018/19 to present (as at 4 June 2024) for L3 Harris or its subsidiaries as below:

2018/19	2019/20	2020/21	2021/22	2022/23	2023/24	Total
839,151	351,368	1,547,563	4,754,924	1,584,390	199,181	9,276,577

Please refer to Appendix 1 for the total amount spent, broken down by the Police workgroups, per financial year from 2019/20 to present (as at 4 June 2024) for Lockheed Martin, the Police Logistics provider. Note that this includes incomplete figures for the current financial year, on goods or services to (as a total).

Please note that as part of its commitment to openness and transparency, Police proactively releases some information and documents that may be of interest to the public. An anonymised version of this response may be publicly released on the New Zealand Police website.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Nāku noa, nā

Rosalind Michie
Director Acquisition and Sustainment
New Zealand Police

APPENDIX 1 - Total amount spent, broken down by Police workgroups, per financial year for Lockheed Martin (as at 4 June 2024)
