With regards your OIA request asking for the following:

The results for Employment Law for 2023. Please display the results as lists of marks (i.e. the scores between 0-100). Include the total number of students who sat the exams.

Please find attached information. Please note LAWS721 and LAWS916 are jointly taught - i.e. PG students attend the same classes as the UG students but the assessment structure is different. The same model applies in all our PG law courses.
