Kia ora Hunter

The information you requested – CAS-910882-H6P3C8

Thank you for your request for information dated 15 May 2024 asking for the locations of all "Traffic Calming" measures in the Auckland CBD, and the type of traffic calming measure for each location.

We have applied a filter to the CBD Traffic Control Committee (TCC) Reports library for "Friction Surface", "Road Hump", "Road Marking for Speed Management", and "Slow Markings" to extract the attached TCC reports. It may not be a complete dataset, as there may be TCC reports that have a form of traffic calming measure not tagged with one of the four defined attributes.

The search resulted in 50 TCC report. Due to the large file size I'm unable to attach it to this email. However, these documents are uploaded onto a SharePoint which you can access.

Should you believe that we have not dealt with your request appropriately, you are able to make a complaint to the Office of the Ombudsman in accordance with section 27(3) of the LGOIMA Act and seek an investigation and review in regard to this matter.

Ngā mihi,

Phil Wratt
