

Table One – Wait times for dentists, medical officers, and nurses at Rolleston Prison, Otago Corrections Facility, Rimutaka Prison and Mt Eden Corrections Facility.

Notes for table:

- This table provides data relates to waiting times at the end of first quarter of 2024 (31 March 2024), this being the most recent available quarterly reporting period.
- These figures are accurate as at 28 May 2024 but may be subject to change following further quality assurance processes.
- This data includes the average, median and maximum wait time from a logged appointment request to a recorded interaction with a dentist, medical officer (GP) or nurse following a Health Request Form (HRF). It may not take into account interim advice prisoners may receive prior to their appointment under some circumstances.
- Due to differences in prison populations sizes and demographics, figures are not directly comparable between prisons. For example, Mt Eden Corrections Facility is primarily a remand facility, with a higher proportion of short-term stays.
