Dear Mr Jeffries

Thank you for your request made under the Official Information Act 1982 (OIA), received on 5 May 2015. You requested the following:

*I hereby formally request details of non-primary residential holdings of current Members of Parliament be released by the IRD and made available to the public.*

Firstly, I acknowledge that my response is outside the statutory 20 working day time period specified in the OIA. I apologise for the delay in responding to you.

Inland Revenue does not hold the information you have requested. However, you may be interested to know that the Standing Orders of Parliament require all MPs to register their financial interests. Each year, the Registrar of Pecuniary and Other Specified Interests of Members of Parliament publishes a summary of registered interests. This includes interests in real property, among others.

The 2015 report has been published and is available from the Parliament website or at the url below:
