Dear Moreen Taylor

Local Government Official Information and Meetings Act 1987

Re: Rates revenue and roading expenditure

I refer to your email, which we received on 7 May 2015, requesting information about rates revenue and roading expenditure for the Kaipara Hills and feeder roads.

In response to your request for information regarding expenditure on the roads specified, a sheet with this information is provided as an attachment to this letter.

We have considered your request regarding rates revenue for all properties within the area however, in order to extract and aggregate the data for the area for the last three years requested we would be required to write a specific script. We estimate that this would take approximately 10 hours of staff time to produce. As we cannot produce this without substantial effort in research we are refusing this part of your request under s17(f) of the Act. If you would like us to proceed please contact us and we can prepare a quote as per our [charging policy](#).

Alternatively, I would like to refer you to the [Auckland Council GIS viewer](#) or [Property search](#) which provide rates information on a property by property basis for the current (2014/15) rating year.

You have the right in accordance with section 27(3) of the LGOIMA to make a complaint to the Office of the Ombudsmen regarding Auckland Council's refusal to release any information under this letter and for the delay in getting this response to you.

If you have any further queries please contact me on 09 890 8127, quoting Official Information Request No. 9000135391.

Yours sincerely

James Stephens
