Dear Joshua Drummond

Official Information Act request: List of management books recommended by the Prime Minister

Thank you for your Official Information Act 1982 (the Act) request, received on 29 May 2024. You requested:

"I am requesting the complete list of "self-help management books" prescribed to ministers and public department heads by Prime Minister Christopher Luxon, as described by Minister Willis in a New Zealand Herald profile by Claire Trevett..."

I have decided to release the full list of management books recommended by the Prime Minister as mentioned in a New Zealand Herald article by Claire Trevett dated 24 May 2024. The list of books are:

- *Good to Great: Why Some Companies Make the Leap and Others Don't* by Jim Collins.
- *The First 90 Days* by Michael Watkins.
- *The Five Dysfunctions of a Team: A Leadership Fable* by Patrick Lencioni.

You have the right to ask the Ombudsman to investigate and review my decision under section 28(3) of the Act.

Yours sincerely
