Dear Joe

**Re: Official Information Request: List of agencies with Datacom telecommunications contracts**

I refer to your official information request dated Tuesday 04 June for a *complete list of government agencies that hold contracts with Datacom for telecommunication services (phone, email, cloud services, etc.)*.

We have transferred your request to the Department of Internal Affairs (DIA). The information to which your request relates is not held by us but is believed to be more closely connected with the functions of the Department of Internal Affairs. In these circumstances, we are required by section 14 of the Official Information Act to transfer your request.

Please note that the DIA can only provide a list of agencies that are consuming Datacom services via one of their Common Capabilities/Framework Agreements, or via their online 'Marketplace'. This list wouldn't include agencies independently contracted with Datacom. For information regarding agencies that are independently contracted with Datacom, these agencies would need to be contacted individually.

I refer you to the OIA Directory (facilitated by the Ministry of Justice), for agency contact information:  
<https://www.justice.govt.nz/about/official-information-act-requests/directory-of-official-information/alphabetical-list-of-entries/>

You will hear further from the DIA concerning your request. They can be contacted via [OIA@dia.govt.nz](mailto:OIA@dia.govt.nz)

Yours sincerely

Olivia De Gregorio
