Dear Mr. Millar

Official Information Request

Our Ref: OIA 2024-0142

I refer to your official information request received on 4 June 2024 for:

“Could I please have a summary of the current terms for all Crown Entity heads (whether they hold the role of Chief Executive or another title). If this could please include their date of appointment, length of appointment, and expiration date of their current term.”

We notified you on 3 July 2024 that due to consultations needed to make a decision on your request we needed to extend the timeframe to make our decision to **31 July 2024**.

Information being released

Under the section 117 of the Crown Entities Act, the terms and conditions of employment of a statutory entities' chief executive who is appointed by the Board, must be determined by agreement between the Board and the chief executive. However, the Public Service Commissioner must provide written consent of the terms and conditions to the Board.

Please find listed in the table below the term start and term end dates for all current Crown Entity Chief Executives, held by the Commission for the purposes set out above.

Since 2018, all Crown entity chief executives can be appointed for terms of up to five years and may be reappointed. Chief executives that were appointed before 2018 were on open-ended contracts* therefore, their terms of appointment only end if they retire or if their employment is terminated.
