Dear James

Thank you for your Official Information Act 1982 (OIA) request of 5 June 2024 in which you sought:

*All communications including emails, texts and phone calls between yourself and the MP for Central Auckland.*

*The phone calls should be dated, and the topic(s) of conversation should be noted and any agreed outcomes or follow up to do items listed.*

Please find attached information identified as within scope of your request. Additionally, I can confirm that I had a phone call with MP Chlöe Swarbrick on 3 June 2024. The phone call outlined the Public Safety Stakeholders meeting in Auckland that I was convening. No follow up actions were required.

You have the right to ask the Ombudsman to review my decision if you are not satisfied with my response to your request.

Yours sincerely

Kia ora Mark. Chlöe Swarbrick here. You may have seen a number of questions from me lodged on Auckland City Centre police station. It's been a hugely unnecessary political hot potato and I'd really prefer it wasn't - as background, I think the long term best solution is to upgrade the District Court into a "Justice Precinct" a la Christchurch which would also be a far better use of public funds (currently renting privately the College Hill station to my understanding), especially after "disposal" of the old city centre site. the old city centre site. Let me know if you'd be at all interested in direct engagement on that, I can tell you my local District leadership would be very grateful for that kind of approach.

Hi Chloe,  
I really like the Precinct model and it should be an option to look at.  
Keen to have direct Engagement on this.

Mōrena Mark, just touching base about the Ponsonby shooting. Have been briefed by Police. Just hoping to see this be as little politicised as possible as my community just wants to feel safe, so if at all useful to align on public messaging and/or response, drop me a line.

Hi Chloe sorry I missed your call I was in cabinet. Yes I agree with you that the best thing for Public reassurance is that we are aligned on our messaging.
