I refer to your information request dated 10 June 2024 made under the Official Information Act 1982 (the Act). You have requested

*“Could you please provide the cumulative GPA of all students who studied an LLB, Bcom with a major in Accounting in 2023. This need not exclude students who are studying a double major or have an additional minor for their Bcom. Moreover, please only provide the GPA of those students who are enrolled or have been enrolled in a 300 or 400 level law paper. This request relates to students who were enrolled at the University of Otago in 2023.”*

Subject to the following comments, please see **attached** the information you have requested:

- The data is correct as at 15 February 2024 and is calculated using all confirmed paper results as of this date (i.e., not just those taken for the LLB or for the BCom Accounting major). Therefore, the cumulative GPA calculations will include student results from non-LAWS and non-ACCT papers at all year levels.
- Only students concurrently enrolled in both programmes (LLB and BCom majoring in Accounting) in 2023, who were also enrolled in one or more 300- or 400-level LAWS papers in 2023, are included in the data.
- Students enrolled in the Bachelor of Laws (Honours) programme are included in the data.
- Further information on how the University calculates GPA is available on the University’s [website](#).

I trust that this information will be helpful.

Ngā mihi
