Tēnā koe Chris

Transfer of your request for official information

Thank you for your follow up request to the Ministry of Health - Manatū Hauora (the Ministry) on 7 August 2024. You requested:

1. The vaccination data for New Zealanders including total number of vaccinations given, total number of people that have died after receiving a vaccination, date of death, age, and gender for the period after December 13, 2023.
2. The above is the date that Health NZ were notified that the vaccine is responsible for the excess deaths we are seeing. I would like to see how many people have died following vaccination after the date in which the Health NZ executives were notified they were killing people.
3. Total cost to date for cyber, legal, any and all consultants engaged to erase the Barry Young data from the internet.
4. All correspondence / escalation to Leigh and the person that has been omitted from this response from Barry Young about his concerns and what the process was to analyse this data (effectively any and all correspondence between Barry Young and whoever he was reporting to about the data)
5. All of the teams / persons that Health NZ has in-house / external that analysed / completed the expert review of Mr Youngs data - notably completed by Leigh Donoghue and the scope / terms of the analysis
6. The time series cohort analysis of the vaccine data, person(s) experts who completed this review and then their conclusions associated.

The Ministry does not hold any information relating to your request; however, I am advised that this information is held by Health New Zealand – Te Whatu Ora. For this reason, I have decided to transfer your request in full to Health New Zealand under section 14(b)(i) of the Act. You can expect a response from Health New Zealand in due course.

If you wish to discuss any aspect of your request with us, including this decision, please feel free to contact the OIA Services Team on: oiagr@health.govt.nz.

Under section 28(3) of the Act, you have the right to ask the Ombudsman to review any decisions made under this request. The Ombudsman may be contacted by email at: info@ombudsman.parliament.nz or by calling 0800 802 602.

Nāku noa, na

Dear OIA Requests,

The information that you sent through is not the information I have asked for? None of the information you sent through has anything at all that I requested. Please provide the information as follows

- The vaccination data for New Zealanders including total number of vaccinations given, total number of people that have died after receiving a vaccination, date of death, age, and gender for the period after December 13, 2023.

The above is the date that Health NZ were notified that the vaccine is responsible for the excess deaths we are seeing. I would like to see how many people have died following vaccination after the date in which the Health NZ executives were notified they were killing people.

Please put this in table format on Health NZ letterhead.

Please also provide

- Total cost to date for cyber, legal, any and all consultants engaged to erase the Barry Young data from the internet.

I understand the figure for this is now close to \$1m dollars.

To add to this - An official information act request here was responded to <https://aus01.safelinks.protection.outlook.com/?url=https%3A%2F%2Ffyi.org.nz%2Frequest%2F25291%2Fresponse%2F103723%2Fattach%2F4%2FHZN00043207%2520response.pdf&data=05%7C02%7Coiagr%40health.govt.nz%7C0a78d0ba4685415214ea08dcb6993bbc%7C23cec7246d204bd19fe9dc4447edd1fa%7C0%7C0%7C638586017073250576%7CUnknown%7CTWFpbGZsb3d8eyJWljojMC4wLjAwMDAiLCJQIjoiV2luMzliLjBjTil6Ik1haWwiLCJXVCi6Mn0%3D%7C0%7C%7C%7C&sdata=wEdr0%2FLoCV7FwDpVhU5uH6Heu3ujthaXiStGxyMryQ%3D&reserved=0> and released correspondence between Barry Young and Margie Apa where Mr Young notified Miss Apa that there was an issue with the vaccines.

Her response mentioned "It is important that we understand what you are observing and check against existing systems we have for monitoring safety and adverse events in immunisation. I ask your leaders Leigh (assuming Donoghue) and/or to follow up with you directly and have an expert review your data and, if there are concerns as you say, lets work out what we do about it. Leigh and/or can work with the National Public Health Service to review this information".

Can you please provide the following

- All correspondence / escalation to Leigh and the person that has been omitted from this response from Barry Young about his concerns and what the process was to analyse this data (effectively any and all correspondence between Barry Young and whoever he was reporting to about the data)
- All of the teams / persons that Health NZ has in-house / external that analysed / completed the expert review of Mr Youngs data - notably completed by Leigh Donoghue and the scope / terms

of the analysis

- The time series cohort analysis of the vaccine data, person(s) experts who completed this review and then their conclusions associated.

Please provide this at the earliest convenience because what you previously provided IS NOT what I asked for.
