Tēnā koe Chris

Your request for official information, reference: HN200061151

Thank you for your email on 15 August 2024, asking Health New Zealand | Te Whatu Ora for the following under the Official Information Act 1982 (the Act):

“Can you please tell me how many vaccines were given in each age group, number of days after vaccine the person died”

Response

Please find attached, **HN200061151 Appendix RT-670**, in response to your request.

Note that the data provided is all-cause mortality (including non-health related deaths such as accidents) and is therefore any death that occurred within the requested time period. Conclusions cannot be made or inferred on how the data relates to COVID-19 vaccination. For other important information about the data, please refer to the ‘Summary’ page of the appendix.

Also note that “count of deaths” fewer than six have been withheld under section 9(2)(a) of the Act to protect privacy. In making this decision, I have considered the public interest and determined that it does not outweigh the need to withhold.

How to get in touch

If you have any questions, you can contact us at hnzOIA@tewhatuora.govt.nz.

If you are not happy with this response, you have the right to make a complaint to the Ombudsman. Information about how to do this is available at www.ombudsman.parliament.nz or by phoning 0800 802 602.

As this information may be of interest to other members of the public, Health NZ may proactively release a copy of this response on our website. All requester data, including your name and contact details, will be removed prior to release.
