Tēnā koe N,

I refer to your information request dated 21 June 2024 made under the Official Information Act 1982 (the Act). You have requested the following information:

I would like to request the grade distributions of the following papers by the number of students with each grade, by number and letter:

CHTH217
CHTH317

We also acknowledge your clarification on 24 June 2024 that you would like the above information for the years 2021-2023.

Subject to the following comments, please see attached the information you have requested.

- the data is correct as at 25 June 2024
- on occasions where fewer than five students have failed a paper (i.e. received a grade of Fail D, Fail E, Failed Compulsory Assessment or Failed Terms), we have determined that it is necessary to withhold the marks and specific grades for these students to protect their privacy and wellbeing. We consider that withholding this information is necessary to protect against the identity of these students being determined or inferred, and their personal information (i.e. their marks) could be disclosed. We therefore withhold this information pursuant to section 9(2)(a) of the Act.
- on occasions where fewer than ten students are enrolled in a paper, we determine that it is necessary to withhold the mark and grade distributions for these papers. As there were fewer than ten enrolments in the 2021 CHTH217 and 2022 CHTH317 papers, we have withheld the mark and grade distribution for these papers to protect students' privacy and wellbeing. We consider that withholding this information is necessary to protect against the identity of these students being determined or inferred, and their personal information (i.e., their marks and grades) could be disclosed. We therefore withhold this information pursuant to section 9(2)(a) of the Act.
- please note that CHTH217 and CHTH317 were not offered in 2023, therefore we have only provided mark and grade breakdowns for the years that the papers were offered.

I trust that this information will be helpful.

In the above cases, we consider that good reasons exist for withholding information, and this is not outweighed by other considerations which would make it desirable, in the public interest, to make the information available.

If you are not satisfied with our response to your information request, section 28(3) of the Act provides you with the right to ask an Ombudsman to investigate and review this response. However, we would welcome the opportunity to discuss any concerns with you first.

Ngā mihi
