Tēnā koe Karen

Thank you for your email of 2 July 2024 to the Department of Corrections – Ara Poutama Aotearoa, requesting the following information:

I am writing to request access to all reports, correspondence, and documents pertaining to Honeywell - this includes information relating to Honeywell's directors, shareholders, representatives, and subsidiaries. This request also includes any Ministerial reports.

The time frame for this request is from 1 January 2018 onwards.

To facilitate the review and analysis of the provided information, I kindly request that the information be accompanied by a summary table. The table should clearly identify each document and include the following details for each entry:

Date: The date the document was created

Document Name: The title or name of the document *Type of Document: The type of document (e.g. report, email, letter, etc)*

Summary: A brief summary of the document's content

Source: The origin or author of the document

Also a specific link to the document/s in question if the information is publicly available (this is to avoid links to a page on your website where everything is on it).

This summary table should be provided separately from the actual documentation to ensure clarity and ease of reference.

Your request has been considered under the Official Information Act 1982 (OIA).

Corrections contracts Honeywell Ltd for the provision of electronic security. They help ensure the safety and security of the 17 prisons managed by Corrections and a significant number of Community Corrections sites across the country by providing installation, maintenance and monitoring of electronic security.

We are unaware of information related to Corrections being provided to Honeywell's board or shareholders. Such information would not have been prepared by Corrections.

In relation to your request for *ministerial reports*, we have located no briefings to the current or previous Minister of Corrections in scope of your request. Therefore, this part of your request is refused under section 18(e) of the OIA, as the documents alleged to contain the information requested do not exist or, despite reasonable efforts to locate them, cannot be found.

Correspondence, reports and documents relating to Honeywell are not held in a central manner and would require Corrections to initiate a significant project to extract, analyse and present this information to you. Therefore, the remainder of your request is refused under section 18(f) of the OIA, as the information cannot be made available without substantial collation or research.

In accordance with sections 18A and 18B of the OIA, we have considered whether fixing a charge, extending the time limit or asking you to refine or amend your request would enable us to provide a response. However, given the scale of the request, we do not consider this would be an appropriate use of our publicly funded resources.

Please note that this response may be published on Corrections' website. Typically, responses are published quarterly or as otherwise determined. Your personal information including name and contact details will be removed for publication.

I hope this information is helpful. I encourage you to raise any concerns about this response with Corrections. Alternatively, you are advised of your right to raise any concerns with the Office of the Ombudsman. Contact details are: Office of the Ombudsman, PO Box 10152, Wellington 6143.

Ngā mihi
