Dear Cooper

## Official Information Act request relating to Apple visit

Thank you for your request made under the Official Information Act 1982 (the Act), received on 16 July 2024. You requested:

1. *All documents (including, but not limited to: itineraries, communications e.g emails, texts) relating to the visit of Apple Inc.*
2. *All travel (specifically airfare) documents (including, but not limited to: receipts, itineraries, communications e.g emails, texts).*
3. *List of all passengers and booking classes for flights.*

I believe parts of your request are held by the Ministry of Foreign Affairs.

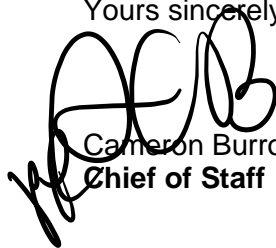

Specifically:

1. *All documents (including, but not limited to: itineraries, communications e.g emails, texts) relating to the visit of Apple Inc.*
2. *All travel documents (including, but not limited to: itineraries, communications e.g emails, texts).*

Accordingly, I have decided to partially transfer questions [1] and [2] of your request to the Ministry of Foreign Affairs under section 14(b)(i) of the Act for information they may hold. As it is already outside of the ten working day time limit for transferring a request, I have extended the time-limit available to make this transfer under section 15(A) of the Act. This extension is required because of the consultation needed to make a decision on your request.

The Ministry of Foreign Affairs and Trade has 20 working days from receipt of this transfer to make a decision on your request.

Yours sincerely

Cameron Burrows
