Subject: Saudi sheep all arrived safe and sound

Hello All

I was on hand to see the sheep arrive at the Saudi desert airfield of Hofufu today. The sheep travelled well and arrived in good order, much to the satisfaction of Sheik Hmood.

Thanks for your support and engagement in what has been a challenging but ultimately satisfying project.

Kind Regards, 9(2)(a)

Thanks for your assistance in getting the sheep away.

I've just returned from Saudi.

All sheep travelled well and arrived alive at Al Asha.

I was hoping you could send me the excel spreadsheet of the actual exported animals IDs. I only have the pre export approved list.

Thanks very much
