Dear Mr Scrimgeour

### Information request

Thank you for your email of 31 May 2015 requesting:

'Has NZQA requested a variation in their role in order to develop an IAM (Identity and Access Management) initiative?

If the NZQA did request such a variation what would be the process of discussion and/or approval?'

Your email was addressed to the Ministry of Education, who transferred your request to NZQA for response.

I can advise that NZQA has not requested a variation: we continue to work with the Ministry of Education and other sector stakeholders on the development of a single IAM solution for use across the sector.

If you wish to discuss this issue further, please contact Julie McDougall, Senior Advisor, Chief Executive and Ministerial Services. Julie can be contacted by email at [julie.mcdougall@nzqa.govt.nz](mailto:julie.mcdougall@nzqa.govt.nz) or by telephone on (04) 463 3105.

Yours sincerely

Dr Grant Klinkum  
Acting Chief Executive
