I ask that you please ensure in the email to them that it is strictly for proof and that they are in no way authorized to make inquiries with the assoc etc as I do not want anyone else to be further harrassed [Redacted]

If it is possible to make them aware that this would not be in good faith and would be a mark against them due to my cooperation and the lengths I have taken to address the issue, I would appreciate it.

Thanks again for all your assistance and patience with this issue.

Also attached recent insulation and lining of rear of coop.

Cheers,
