Alan Johnstone
fyi-request-28151-883692b8@requests.fyi.org.nz

**Your request for information under the Local Government Official Information and Meetings Act 1987
(LGOIMA) – CAS-967952-F9Z4D0**

Kia ora Alan,

I refer to your official information request dated 23 August 2024 regarding the scheduled sweeping of cycleways.

Please find our response below.

Please provide details of the frequency scheduled removal of debris including glass and stones from cycleways. In particular I am interested in the cycle path on Cavendish Dr, the cycle path on Taniwha Street in Glen Innes.

Cavendish Drive is part of our South Urban contract. The Cavendish Drive separated cycle path is on a monthly sweeping frequency.

I would like information as to inputs to the decisions and how the condition of these paths is evaluated.

Sweeping outside of town centres is undertaken by Auckland Council – Community Facilities. Central cycleways are cleaned as required.

This means that they will be programmed in when an issue is found on an inspection, or a member of the public has reported that there is a safety issue on the cycleway.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Yours sincerely,

Phil Wratt
Engagement Manager, Customer Care
