Request for information

Thank you for your Official Information Act 1982 (OIA) request dated 26 August 2024.
You wrote:

I request the number of incidents per year since 2019 that NZ Police have been called to or are aware of on the following Wellington streets:

- Dixon Street*
- Boulcott Street*
- MacDonald Crescent*
- Ghuznee Street*
- Allenby Terrace*
- Plimmerton Steps*

A general breakdown of the types of incidents would also be appreciated. I would also appreciate it if you could style the data similar to my recent request about the incidents on Church Street: <https://fyi.org.nz/request/27831-church-street-incidents#outgoing-45761>.

Thank you for your time - I do understand these requests can take a lot of effort to collate.

Your request is a follow up to a previous request (IR-01-24-26292) and so the explanations provided in the previous response are not repeated here.

The attached spreadsheet contains the data you requested. I have assumed that by Plimmerton Steps you meant Plimmer Steps.

Data in this response is drawn from a dynamic operational database and is subject to change as new information is recorded or updated.

Please note that as part of its commitment to openness and transparency, Police proactively releases some information and documents that may be of interest to the

Police National Headquarters
