Hi Rebecca!

Ok thanks for the the feedback. I will take that with me to the team. Its a valid point.

We usually are really strict about removing reviews. In this case a names was mentioned in a bad way so that was the reason.

Remember you can use the admin now to answer on reviews - which is very effective.

Our guidelines are listed here <https://www.schoolparrot.co.nz/about/review-guidelines>.

Let me know if you need anything else!

Hi Eric,

Just on the removal of reviews, and thank you 🙏

We, the school & our board, have been repeatedly accused of deleting reviews.

We have on more than one occasion explained to people that we don't have the ability to do this.

Is there any way that, if you decide to delete a post because it breaches the School Parrot guidelines, a message can be put in its place to state why it was deleted and by who?

E.g. "This post was removed because it breaches the XYZ guidelines" - School Parrot.

Hi Eric

I've signed up and can access/see our lovely reviews - even thou I didn't get an email with an activation code - do I still need this?

I also need a receipt for the subscription fees - can you please provide or let me know where I can download this from.

Many thanks
